Hi Yen-Vy:

Yes, August 19 is acceptable for submittal of the Draft CAP. I will be out of the office until August 29, so if we receive it anytime before that, that would also be acceptable. Because the next milestone is keyed to receipt of EPA comment (Section 2.9 of AOC), I will not get a chance to look at the document until that time anyway.

thanks

rob

Subject: Smitty Toppenish (EPA Site # 4260087) - DRAFT CAP due date

Good morning Rob

The agreed due date for the Draft CAP is Saturday, August 13, 2011. Would you consider letting us submit it either on August 17th or 19th? I'll be on vacation from August 4 – 12th. If this is an issue, I'd ask that the date be changed to Monday, August 15th. Thank you for your consideration.
